Errata in FBIS Translation of the Sixth Five-Year Plan

1. Attached hereto are ten pages of errors in the BBC translation of the Sixth Five-Year Plan.

2. It will be noted that many of these are corrections of typographical errors and differences in transliteration. No criticism is intended since FID who prepared this errata sheet recognized the speed with which the BBC translation was made and the difficulties of transcribing voice broadcasts.

3. This is forwarded for whatever action you deem appropriate.
